

Fly Fishing is our Passion

“Fly Fishing is our Passion” – That's the cornerstone and slogan for our family-owned and operated company. Lance Gray & Company is a full-service outfitter that offers our guests the best fly-fishing experience possible. Every excursion is much more than just a drift down the Sacramento River or an evening of fishing the "Hex" hatch on Lake Almanor. It's an experience that our guests talk about for years. We offer guided drift-boats trips, still water venues, fly-fishing schools, fly-fishing workshops, fly-fishing tours and worldwide travel. We pride ourselves on service, attention to detail, honesty and plain hard work. Fly fishing is truly our passion

The Hex Hatch Tour at Lake Almanor

The “Hex Tour” is a simple right to the point tour. The focus point is the Hexagenia and the areas at Lake Almanor where it is found. We drive the west shore of the lake pointing out access areas, fishing tips for each fishing access and the equipment and flies that we use during our guiding operation. The tour is much more about where and when. We cover the entomology of the Hexagenia and why it’s found at Lake Almanor. This hands on tour gives the fly fisher a firm understanding on the Hex.

The tour includes a lake front tri-tip dinner, rigging and an evening of fishing on the lake. The tour starts at 2:00pm and ends at dark after fishing. Handouts on the tour are provided, including a map of the lake, equipment and rigging setups and a breakdown of the areas where you will find the Hex.
