

## *Fly Fishing is our Passion*

*“Fly Fishing is our Passion” – That’s the cornerstone and slogan for our family-owned and operated company. Lance Gray & Company is a full-service outfitter that offers our guests the best fly-fishing experience possible.*

*Every excursion is much more than just a drift down the Sacramento River or an evening of fishing the “Hex” hatch on Lake Almanor. It’s an experience that our guests talk about for years.*

*We offer guided drift-boats trips, fly-fishing schools, fly-fishing workshops and worldwide travel. We pride ourselves on service, attention to detail, honesty and plain hard work.*

*Fly fishing is truly our passion*
